

Pastor's Perspective

STILL ON THE THRONE BRO. WALLACE LITTLE PSALMS 99:1

"I thank God he's on the throne, I thank God he can handle my problems. I thank God he can give me joy unspeakable and full of glory, I thank God!"

The Bible says that ALL power is given to Him that is in heaven and earth, and that power dwells in God's People. Why in the world don't we claim it?

I. In His Reign and Rule. (Vs. 1)

II. In His Church. (Vs. 2)

This is God's church and He runs it, not a man.

It is His church because of the blood that He shed.

III. In His Name (Vs. 3)

IV. In His Justice. (Vs. 4)

He is just and will punish sin! In his mercy and grace He made a way that we do not have to pay for our sins.

V. In His Holiness. (Vs. 5)

Jesus is the kind of human being we ought to be.

VI. In His Men. (Vs. 6)

"He is still on the throne in America as long as you and I stand up for Him. As long as you and I look to Him.

As long as you and I say, "Lord, what would you have me to do."

VII. In His Word. (Vs.7)

VIII. In His Answer to Prayer. (Vs. 8)

Prayer moves the mighty arm of God.

IX. In His Presence. (Vs. 9)

*O, Believe me! He is still on the throne.
The Lord Reigneth! Let the People Tremble!*
