THE CASE OF THE MISSING MEN

BRO. WALLACE LITTLE

ISAIAH 3:1-5, 8-9

Missing men are the judgment of God. America allows open and unashamed sin and deems it as normal; all while decency, honor, and character is ridiculed at every level with the government's intrusion.

"Some of the men that founded this nation would have torn this nation all apart before they would let it get in this mess."

The church, rather than weeping and praying for forgiveness, are busy entertaining and enjoying themselves. Missing men who would seek the face of God, men of faith and prayer. Men of God with God's authority on them.

"We need some old fashioned red blooded men with the backbone like an old hickory log."

The Case of the Missing Men:

I. Missing men bulletin put out by the Lord.

II. The case is clear-men are missing!(Isa. 3:2-3)

*"Where are the men of honor,
a man who has principal before popularity?"*

III. Look at the breakdown where men are missing.(Isa. 3:5)

1. Spirit of lawlessness and rebellion.
2. Spirit of shame.(Isa. 1:21-23)
3. Spirit of Sodom and Gomorrah.(Isa. 3:9)
4. Spirit of Immaturity.(Isa. 3:12, I Tim. 2:8-12)
5. Spirit of feminine domination.(Isa. 3:12, 16-17)
6. Spirit of apostasy.(Isa. 3:8, Rev. 18:4-5)
7. God is looking for a man.(Ezek. 22:30)

In this dark hour, God is still looking for men!
